

Arrowquip Q-Catch 74 Series

£POA

7-year chute warranty - Industry's longest cattle chute warranty ever offered. NEW 3E Q-Catch Head Gate design uses light & cattle behavior to improve cattle flow. Transport & scale-ready . NEW patent-pending Direct Drive System for faster head gate response. Head gate opens to full 30" top to bottom, and has a patented locking mechanism. Head gate and squeeze locking mechanisms and rump fingers are backed with lifetime warranty. Head gate handle can be situated anywhere along the side of the chute. Rolling tail gate is top mounted to eliminate buildup and can be operated from either side of the chute . Vet door swings 180° in and out of the chute.
