

British Horse Feeds Speedi-Beet

£22.30

British Horse Feeds Speedi-Beet is a highly versatile feedstuff that can be fed to a wide range of horses. The high fibre, low sugar & starch free formula can be used as a forage alternative, hard feed replacer, palatant for fussy feeders & many other uses. It has also shown to have a prebiotic effect on hindgut fermentation & can help improve the nutritional quality of other fibre based feedstuff. 20kg bag
