

Skinnners Field and Trial. Light and Senior

£33.40

Field & Trial Light and Senior is a complete working dog food. This dry food recipe has been specially developed and formulated for any dog that requires a less energy dense diet. Typically, these dogs are older or less active dogs and those who may be predisposed to weight gain! With a formulation that includes reduced levels of fat and protein, Light and Senior is an ideal diet for any dog that needs dietary support (in addition to exercise and other lifestyle management!) to maintain a healthy weight and body condition and can be fed both in meals and as treats as a holistic weight management strategy.
