

Vicon Extra 124

£POA

Vicon Extra 124 Plain mower. The new EXTRA 100 series is based upon the newly developed Extra cutter bar, which is designed for low maintenance and quiet operation. The Vicon Extra 100 series machines are designed for smaller mowing operations. With working widths ranging from 1.70 to 2.40m and with corresponding weights of 390, 430 and 450 kgs respectively, these machines are perfect for farmers looking for a compact mower with low power requirements. Features include: Extra cutter bar; break-away without reset; compact build for smaller tractors; vertical transport position. Currently in stock for immediate availability. POA
