

Winton WFL 125 Flail Mower

£1,608.00

The WFL125 Winton 1.25m Flail Mower is a heavy duty machine, which is perfect for tackling overgrown areas. This mower is fitted with heavier hammer flails so it is ideal for tougher grass and weed control. When growth is at a more manageable length, this mower gives a fine grass finish for lawns or sports fields.

Several heavy hammer blades are mounted to the cylindrical rotor in a spiral layout. This action is most efficient and creates finer cuttings. It is also better suited to uneven ground types than
