

AG Products Maxi Dispenser

£POA

Battery operated wheeled sawdust dispenser. The AG Maxi sawdust dispenser is designed to discharge many types of sawdust at high speed with a capacity of 2-3 x 25kg bags. The Maxi is ideal for spreading sawdust on cubicles and also spreading other disinfectant materials. Spreads 3 – 4 feet from high speed conveyor. Variable discharge. Suitable for all types of sawdust, plus many other disinfectant materials. Fully re-chargeable. Made out of stainless steel. Time and labour saving. Also a more economical use of bedding materials. Finally a more even spread of bedding. Please contact us for availability and price.
