

# Allen and Page Calm and Condition

**£20.10**

Calm & Condition is a high calorie/energy feed for horses and ponies that need to put on or maintain weight and condition. It is also ideal for harder working horses and some breeds of youngstock. Being whole cereal grain and molasses free it is higher in fibre and lower in starch and sugar than traditional conditioning feeds. The energy that Calm & Condition supplies comes from its high fibre and oil content which is an excellent source of slow release, stamina giving energy.
