

Arrowquip 8ft and 10ft Easy Flow Ally

£POA

Arrowquip's improved Easy Flow® Adjustable Cattle Races are designed to be safer, quieter, and more efficient. Cradle-shaped and fully adjustable, the Easy Flow Races can accommodate cattle of any size with easy adjustments. With spring-loaded locking systems and safety latches, you can quickly modify the width of the race from one side by simply pulling on the adjustment cables. Adhering to low-stress cattle handling principles, the Easy Flow Races have caulked flat sheeting and nylon bushings over the slam-latch pins to reduce noise. Additionally, the race sections bolt tightly together to eliminate the need for pins. The Easy Flow Races now come with the 3E: Easy
