

Arrowquip Q-Catch Cattle Yoke

£POA

The Q-Catch® Cattle Yoke Gate is world-renowned as the most user-friendly head catch ever developed. To make this yoke gate even easier to operate, Arrowquip's newest Q-Catch Yoke

Gate comes with an improved design featuring the 3E: Easy Entry and Exit system. The upgraded 3E Q-Catch Yoke Gate helps you manage cattle flow by using more light to draw cattle forward. The head yoke features a dual friction lock with infinite adjustments, single-handle operation, and opens to a full 762mm top to bottom. By offering superior animal control with the advanced auto-adjusting yoke gate technology that facilitates proper placement around the
