

Arrowquip Q Power 104

£POA

3-year hydraulic chute warranty - Industry's longest hydraulic chute warranty ever offered Comes standard with a top-mounted 110V electric power pack & hydraulic pump. NEW 3E Q-Catch Head Gate design uses light & cattle behaviour to improve cattle flow. Transport & scale-ready. Head gate opens to full 30" top to bottom, and has a patented locking mechanism. Rump fingers are backed with lifetime warranty. Hydraulic controls are mounted. Hydraulic rolling tail gate is top mounted to eliminate build-up. Arrowquip's first ever hydraulic rolling tail gate. Vet door swings 180° in and out of the chute. Side access doors can be used independently or together. Squeeze
