

Bedmax Large Flake Shavings

£10.13

Bedmax shavings are large flake pine shavings, purpose made to provide an ideal bedding for horses and ponies.

They are made at three dedicated Bedmax production plants in the UK, from fresh timber sourced from renewable UK forestry. Bedmax shavings were developed to offer owners a natural bedding that would help address the issues that threaten the health and welfare of horses in stables. Price per 20kg pack. Plus vat
