

Dengie Alfa-A Oil

£22.63

Alfa-A Oil is our fibre feed with the highest slow release energy level, ideal for fuelling horses in work, promoting weight gain and generating exceptional condition. 20kg bag

A blend of alfalfa and rapeseed oil providing 12.5MJ/kg of Digestible Energy from fibre and oil – a comparable energy level to a competition or conditioning mix or cube, but with 10x less starch

Alfa-A Oil is rich in highly digestible fibre and packed with natural vitamins and minerals

Alfalfa is a widely recognised ingredient for promoting digestive health due to its natural buffering
