

Dengie Grass Pellets

£12.57

Simply 100% naturally grown British meadow grass, with no added sugar. Dengie Pure Grass Pellets are high in fibre and suitable for horses, ponies and other animals. 20kg bag

Tasty pure grass, highly digestible fibre which is very sympathetic to the digestive system
 Ideal for animals with dental issues, such as diastemas when fed soaked
 Pure Grass Pellets can be fed as a partial or total hay or grazing replacer
 Naturally sweet – no added sugar and naturally low in starch
