

EGO 4ah Battery BA2240T

£174.00

Our unique patented 56V Arc Lithium technology is designed like no other battery. It's why it performs like no other battery. The innovative arc shape helps to transfer heat away from every cell to stop overheating and maximise run times, and the Keep Cool™ Technology works to manage the heat transfer on every cell to keep the temperature lower for longer.

Our 4.0Ah battery fits in any EGO Power+ tool, giving you flexibility depending on your usage. Recharge times for this battery are from 80 minutes with a standard charger, or 30 minutes with
