

## EGO CS 1610E Chainsaw

**£219.00**

Welcome to incredible power, cut, after cut, after cut. The CS1610E cordless chainsaw is built to tackle the hardest of jobs. The 40cm chain bar can cut through branches and medium sized logs with ease, all while feeling safe in the knowledge that the chain brake will keep you from experiencing kickback whilst enjoying your work.

One battery, multiple tools. Each EGO Power+ 56V ARC lithium battery works with all our tools, so the addition of the CS1610E battery-operated chainsaw to your collection of EGO Power+
