

EGO LM 2135E-SP

£849.00

Part of our Professional range, the LM2135E-SP mower has a large 52cm cutting capacity which is perfect for precision mowing of larger gardens and wider spaces. Self-propelled for use on sloping ground, you can enjoy the benefits of the automatic variable cutting speed to take the strain out of pushing the mower uphill.

Leave petrol in the past and enjoy a cleaner, quieter and safer future. Sold as a kit, this cordless mower is provided with our 7.5ah battery which can cut up to 1000sqm on a single charge, which
