

EGO LM1701E

£455.00

Precise and agile, the EGO Power+ LM1701E is perfect for small and medium sized level gardens, and can cut up to 400sqm in a single charge. This push mower gives you the control you need to work in tighter spaces. With its 42cm cutting capacity and large 55L rear collection bag, you're able to finish the job whilst collecting your clippings – or if you prefer, you can discharge or mulch (ABP1700) giving you even more flexibility.

Developed with you in mind, our ARC Lithium 56V battery delivers the industry's highest energy
