

## EGO MHSC 2002E Multi-Tool

**£899.00**

The EGO Power+ multi-tool is the outdoor power tool you can't do without, and this ultimate multi-tool kit gives you a perfect platform to tackle every garden task. The PH1400E power head is perfectly balanced to give you a comfortable and easy experience.

The line trimmer allows you to trim grass along fences and walls with precision, and includes our Rapid Reload head for easy line replacement. If you need to remove thicker, overgrown areas, you can simply click in the brush cutter attachment to complete your task.
