

Farmgate Layers Mash

£10.50

or Farmers Farmgate Layers Mash Poultry Feed 20kg

The two Farmgate Layers feeds have an excellent pedigree within our range. Both the Layers Pellets & Layers Mash contain optimum levels of calcium, phosphorus and Vitamin D3 for bone strength, good shell quality, rich yellow yolk colour, high egg numbers and excellent egg size.

Feed from up to four weeks before onset of lay, throughout the laying period until depletion.
