

Fleming 66246 Land Roller

£POA

Fleming 66246 (6ft 6in) Land Roller

Fleming Agri has a wealth of experience manufacturing land rollers spanning over 40 years. The compact land roller is ideal for smallholders, equestrian sites, parkland maintenance and sports pitches. The rollers are suitable for towing behind quads/UTVs and 4x4s as well.

The compact rollers have low horse power requirements and require no maintenance.

Product Details

Category/Type	Groundcare Equipment
Make	Fleming
