

Gallagher B60 Energiser

£87.49

The B60 is the entry model for the 12V battery energizers. The battery energiser is suitable for fencing of up to 6 km, and it has a built-in lightning conductor. The energizer is easy to move and easy to connect with the integrated connection cable. The B60 is extremely suitable for portable fencing and for fencing in places without mains power.

Specifications:

- Maximum output voltage (V): 8000
