

Gallagher BA20 Battery Energiser

£89.00

The BA20 is the smallest Gallagher battery energiser and is suitable for short fencing of up to 2 km. The energiser is lightweight and is easy to carry, making the BA20 also perfectly suitable for portable fencing. The energiser has a built-in lightning conductor and is supplied with a connection cable set. Battery not included.

Specifications:

- Maximum output voltage (V): 9600
