

Gallagher BA80 Battery Energiser

£181.24

The BA80 is the most powerful battery energiser in the BA series and is suitable for fencing of up to 10 km. This energiser has 2 different modes. In mode 1 the energiser provides a standard pulse with maximum Joules. In mode 2 the energiser provides 1 pulse of 100% followed by 3 pulses of 50%. It means the battery lasts much longer and you are still sure to have sufficient power on your fencing. Supplied with a connection cable set. Battery not included.

Specifications:
