

# Gallagher Ringtop Post

**£4.00**

The Gallagher ring top post is a very robust, ergonomic and durable fence post. This makes it significantly more sustainable than other mobile fence posts. The material is extremely robust due to the use of glass-filled nylon and the post is therefore wear-resistant and durable.

The ring-top post is easy to install thanks to its ergonomic and wide base. The wire holder is even more pleasant as it does not get caught in each other when you carry a whole bunch of these stakes.
