

# Gallagher Gallagher S40LE

**£257.50**

The S40 LE is the ultimate mobile energiser for short fences up to 15 km (single wire, no vegetation). The energiser is supplied with a rechargeable battery and solar panel. The S40 LE is quick and easy to install and convenient to transport. This robust and highly mobile energiser offers an excellent alternative to battery-powered systems. In addition, this energiser has a mains charging function, allowing the energiser to be charged from mains power when there is insufficient sunlight or during storage.
