

Gallagher S6 Garden Solar Energiser

£129.00

The Gallagher Electric Fence Solar unit S6 with Li-Battery is a small but powerful model. Ideal for smaller gardens to prevent dogs and cats from escaping. The S6 is simple to assemble and easily attaches to an iron post or ground stake, therefore requiring minimal maintenance.

sun or daylight and thus provides more and longer power.

Solar = daylight:

Fleet Lane, Bredon, Tewkesbury, Gloucester, GL20 7EF

The term "solar device" is possibly a little misleading, because this device also works perfectly in normal daylight (without sun). It has no solar panels, so it can even work for up to 4 weeks without direct sunlight!
