

JFC Drinkers

£POA

JFC understands the importance of providing easy accessible, fresh, clean drinking water to animals. We offer an extensive range of drinkers suitable for internal and external use. The plastic used in our drinkers has high freeze/thaw cracking resistance, a particularly important feature in freezing conditions. Each drinker is designed with rounded edges for ultimate animal safety.

Strategically positioned mounting holes or brackets are provided for secure fitting and ease of installation, where applicable. All bowls (excluding the DBL5 & DBL7) have optional left or right valve positioning. The Micro Drink Bowl (DBL4) and Nose-Fill Drink Bowls (DBL5 & DBL7) are
