

JFC Feeders & Feed Equipment

£POA

JFC have developed a range of Feeders suitable for cattle, sheep, horses, goats and pigs. Manufactured from tough, impact-resistant, medium density polyethylene these feeders are extremely durable and capable of withstanding even severe impact. The fracture resistant material and rounded edge design ensures animal safety. Suitable for both indoor and outdoor applications, each Feeder is finished with a smooth, seamless coat to reduce feed build up and for ease of cleaning.
