

Logic Menage Grader

£POA

Provides quick, easy & efficient levelling of all types of surfaces, including equestrian training arenas. Comes with a perimeter plough which is opened to pull in material built up against the side boards and an additional wheel track levelling kit (inset) which allows "one pass" grading. An option of a single row of specially designed tines can also be added, recommended for certain surfaces such as rubber chip. Please give us a call for more details.
