ENGINEERING (BREDON) LIMITED

Tru-Test Load bars HD5T

£POA

Tru-Test load bars are recognised for their rugged durability and performance in harsh environments. The HD5T Load Bars are designed to be tough, reliable and easy to install under any crush. The simplicity of set up means you can easily install with no assistance needed.

With a capacity suitable for the heaviest of cattle crushes, you will have outstanding performance with the best weighing set up for your animals.
