

Skinner's Field and trial maintenance dog food

£28.49

Field & Trial Maintenance contains easily digestible chicken providing the correct level of protein for the maintenance of strong muscles, teeth and bones. Specially formulated to meet the needs of working dogs undertaking light work or during the close season. High levels of essential fats and oils help to maintain a healthy, glossy coat and ensure that your dog's skin is also kept in great condition. A mixed blend of cereals provides a good source of carbohydrate. A full balance of 27 vitamins and minerals promotes general good health.
