

Skinner's Field and Trial. Maintenance Plus

£40.59

Field & Trial Maintenance Plus is a complete working dog food. This dry food recipe has been developed and formulated to support dogs with a low to moderate activity level and who might benefit from additional nutrients to support joint health.

Maintenance Plus is also suitable for dogs who have a reduced activity level or who are prone to weight gain on some of our other working dog formulations and dogs who might be resting or recovering out of season and so do not require an energy dense feed but again might benefit
