

Spillers Conditioning Fibre

£19.70

A truly flexible fibre feed which can be used alongside a conditioning feed or fed as the main feed to help build condition for those that are extremely excitable.

Contains ideal protein sources and soya oil to help build condition without excitability.

Contains a special blend of natural fibres to help keep your horse or pony eating for longer when compared to cubes and mixes.

Ingredients: Chopped straw, Wheatfeed, Grass nuts, Dried lucerne, Wheat, Molasses, Soya oil,
