

Teagle Tomahawk 8200T

£18,200.00

Brand new from the ground up, the 8200 series replaces 7100, 7150, 8100 and 8150 models. The new range retains the strength of those they replace, but comes with a new look and exciting new features to improve output and ease of use.

The 8200 for feeding silage and bedding straw is available in two variants, either mounted (8200M) or trailed (8200T).

The brand new 'SYNCHRO' WiFi control system features in both variants to enable the operator
