

TGB Blade 520SL EPS Quad Bike

£POA

TGB Blade 520SL is already a real workhorse, but now TGB have released the 520SL with EPS. It can be registered for road use. It has a 503cc fuel injected engine producing 39hp, selectable two- or four-wheel drive, automatic transmission with a diff lock and an automatic clutch. Whether you are hauling heavy loads or tackling rugged terrain every day, the 520SL EPS really does reduce the workload and physical fatigue. Contact us for model availability, pricing or financing options.
