

TGB Blade 520SL

£POA

The Blade series has been sold worldwide now for over 20 years. A combination of elements developed over a decade of hard work within the agricultural industry, the 520SL boasts a long list of key features. This workhorse ATV is ideal for any agricultural situation. Powered by the tried and tested TGB 503cc high torque engine, but now equipped with Electronic fuel injection. The Blade 520SL is T3 homologated so can be registered for road use. Contact us for availability, price and finance options.
