

Vicon Fanex 554H Tedder

£5,600.00

With productivity at the core, a 5.5m working width, 4/7 tines & 620kg weight, the Fanex 554 is designed to perform perfectly in all crop conditions, with a minimum of non-productive maintenance required and with diminished transport dimensions. Featuring a heavy duty fully closed headstock this machine will fit perfectly into the operation of farmers, looking for a strong, effective, and versatile tedder. These tedders are fitted with a high performance driveline combination. The complete driveline is maintenance-free, and offers highly reliable transfer of power, combined with extremely compact transport dimensions. THE ADVANTAGES:
